Knoebel Events

At the heart of the University of Denver campus, our facility provides the ideal setting for your next event. Our conference center combines the warm intimacy of Tuscan architecture with the convenience of modern and flexible technology. Our student staff from the Fritz Knoebel School of Hospitality Management in the Daniels College of Business, led by a team of celebrated hospitality veterans, provides service marked by seamless efficiency and polished professionalism. Our kitchen is a true learning kitchen where our professionals educate and mentor the next generation of hospitality workers.

Drawing on inspiration from local ingredients and international flavors, our culinary team has created a menu that appeals to just about any taste or request.

- The Fine Print -

Reserving A Date

Potential clients can contact Patty Farmer at (303) 871-4438 or Patricia.Farmer@du.edu or Abigail Sheppard at (303) 871 7639 or Abigail.Sheppard@du.edu to check availability and reserve a tentative date. To officially book the space, a signed contract is required. We will only hold space for seven days without a signed contract.

Food and Beverage Policies

We ask that menu and set up selections are finalized at least four weeks prior to your functions. A detailed event order will be completed at that time for your review and approval. Only food and beverage provided by Knoebel Events can be consumed on property. We reserve the right to refuse alcohol service to anyone.

Guarantees

The Knoebel Events team would like to be notified of your exact number of guests five business days prior to your event date in order to ensure the success of your function. If the number is not confirmed, the most recent count received will be considered the guarantee. Final charges will be based on the guarantee or the actual attendance, whichever is higher.

Payment

All functions must have a secured form of payment on file before they occur. Credit cards, verifiable company or cashier's checks, and cash are considered valid payment methods. Credit cards will be preauthorized three business days before the event for the remaining estimated charges.

Labor

We do not charge a service charge percentage, but instead apply a labor fee to each event. This charge corresponds with the actual staffing levels needed to properly execute your event.

Changes

Changes can be made to your event order up to five business days before your event. At three business days before your event, all details are considered final (including but not limited to timelines, set up, and food). Any changes made within three business days are made based on the availability of the venue and are subject to a minimum \$150 change fee.
